

SUPPORTED EMC DOCUMENTUM AND HP SOFTWARE PLATFORMS

SPI for EMC Documentum

This document contains information about all HP Software and EMC Documentum products, compatible with SPI for EMC Documentum, version 2.11.

1. Introduction

This document is intended as a reference source to complement the *SPI for EMC Documentum Installation Guide*. It presents information about the following compatible EMC Corporation products:

EMC Documentum content management software product family:

- Content Server
- Index Server

In addition, it presents information about the compatible HP Software:

- HP Operations Manager
- HP Reporter
- HP Performance Manager

Information relating to each of these products is described in detail in the sections that follow. Document also provides information on software availability in native languages.

Contents

- 1. Introduction2
- 2. SPI for EMC Documentum for HP Operations Manager for Windows, Release 02.114
- 3. SPI for EMC Documentum for HP Operations Manager for UNIX, Release 02.118

2. SPI for EMC Documentum for HP Operations Manager for Windows, Release 02.11

This section contains information on all HP Software products and EMC Documentum products, compatible with HERMES SoftLab EMC Documentum Smart Plug-in for HP Operations Manager for Windows (SPI for EMC Documentum), version 02.11.
